**Embrace the courage to envision the impossible,
for it is the dreamers who hold the power to shape the future.**

DK Goel, Chairman FIITJEE Group

Dear ABISHEK THIYAGARAJAN,

We congratulate you on daring to appear in IIT Genius Exam. This shows that you are a different metal. You can dream big and have the to go all the hog to achieve it. Continue with this attitude and you will live a life that is impactful.

Why FIITJEE Instituted IIT Genius Award ? FIITJEE Classroom as well as Non Classroom Programs' students have the privilege of get rewards especially if they get a rank in Top 200 in JEE Advanced. Long-term Classroom Program students securing a rank in top 200 in JEE Advanced study free of cost at an IIT ! Read all about the [FIITJEE Rewards](#). However, other institutes do not support their students with rewards. So, FIITJEE instituted IIT Genius to support non FIITJEE bright students to study free at an IIT, if they figure in the top 10 in the IIT Exam Selection Process & then secure a rank in top 20 in JEE Advanced. **We do not claim any credit for the success of IIT Genius awardee as they are FIITJEE students.**

Since you are an existing FIITJEE student for a classroom program, you are eligible for wider [FIITJEE Rewards](#) that we discussed earlier. You can avail only one reward (higher of the two rewards) IIT Genius Reward or Reward as a FIITJEE CRP student. Winning the IIT Genius Title is a coveted one.

We are pleased to inform you that you have been shortlisted for the interview round for the IIT Genius Award. You are now required to appear for an in-person interview at **Hyderabad** on **18th/19th March 2024**. **Please arrive at the venue at least one hour before the scheduled interview** process may take about 3 hours. To know more about how to appear for the Interview process, please click [here](#).

Your duties after finally winning the coveted IIT Genius Reward (in addition to your duties to promote FIITJEE as a Brand Ambassador for Classroom Program student)

1. You need to wear a T Shirt in all public places in the IIT that you join – T shirt will bear on the back "IIT Genius Awardee" and on the front small size "Supported by FIITJEE".
2. After joining an IIT, we expect you to aggressively promote IIT Genius Exam through your social media handles to spread awareness, so that more deserving students can benefit from this initiative IIT Genius Reward.
3. We expect you to scout for talent that will appear in future IIT Genius Exams during the tenability of your reward i.e. for IIT Genius 2024, 2027, & 2028 and connect them to FIITJEE at futureiitgenius@fiitjee.com. Every year we expect you to recommend at least 3 meritoric students.

students each from class VIII, IX, X, XI & XII, who have the potential to be in top 20 in JEE Advanced.

4. During your vacation if you are not doing internship or a project then

- we expect you to use this time to canvass on your own for IIT Genius and educate the schools & students about this philanthropic activity of FIITJEE.
- you are expected to participate in FIITJEE seminars to promote IIT Genius Award.

You must be aware that every FIITJEE exam provides distinctive analysis. IIT Genius is no exception. While this is your first step to get you identified & rewarded, we urge you to understand the significance of the analysis of your performance and use it as a powerful tool to take your journey to achieve your goals & get rewarded by FIITJEE. You can further discuss your performance & its relevance in person with the interview panel members. Remember, after winning the title of IIT Genius you need to achieve your dream rank & get the associated reward. Though the current analysis is limited to JEE Advanced, Junior Science Olympiad, & Mathematical Olympiads through IIT Genius Exam, you will get an opportunity to be thoroughly trained for JEE Main, JEE Advanced, Astronomy, Physics, Chemistry, Mathematical Olympiads.

So, dear student – let us take you through the journey of your performance analysis in the IIT Genius Exam
